How we use cookies

A cookie is a small file that is added to your PC and the cookie helps analyse web traffic or let you know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remember information about your preferences.

We use traffic log cookies to identify which pages are being used. This helps us to analyse data about webpage traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis purposes.

We use cookies to ensure that we give you the best experience on our website. If you continue to use this site we will assume that you are happy with it. ok
